The Commission for Naval Terminology of the Jadranski (Adriatic) Institute of the Yugoslav Academy of Sciences and Arts in Zugreb, is working on the establishment of Yugoslav naval terminology. Following the completion of this work a dictionary will be published. Nork on the establishment of the most appropriate terms is a very slow process, and for this reason the Jadranski Institute will occasionally issue a list of the principal terms on which the Commission for Naval Terminology has agreed.

This decument is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
